B. The Board shall provide for the continuance of health care insurance after retirement on the terms detailed in the master policies and contracts agreed upon by the Board and Association. Retirement to take place in accordance with the provisions of law.

C. The Board shall provide to each teacher a description of the health care insurance coverage provided under this Article, with whatever the carrier shall provide.

D. The Board shall provide Washington National Insurance Plan I Class I for those teachers who elect to be insured under this policy instead of New Jersey Health Benefits Program.

E. The Board shall continue to provide dental insurance for each teacher with a work week of 20 hours or more through Connecticut General Life Insurance Company, Plan III, or equivalent, to a maximum monthly per teacher premium cost of \$28.08 for the 1995-1996 school year, \$29.20 for the 1996-1997 school year and \$30.37 for the 1997-1998 school year.

ARTICLE XVIIINSURANCE PROTECTION

F. During the life of the within Agreement, the Association may seek to obtain family dental insurance coverage for members of the bargaining unit at their own expense. The Board agrees to make payroll deductions for such insurance coverage, if obtained, but the Board shall not be responsible for the cost of such insurance coverage.

ARTICLE XVIIISUBSTITUTE PERSONNELA. Substitutes1. Certification

Positions which are vacant because teachers are temporarily absent, shall be filled by teachers who hold a Standard Certificate issued by the New Jersey Board of Examiners, if such a person is available.

2. List

The Board agrees at all times to maintain an adequate list of substitute teachers who shall be provided with appropriate orientation training by the Administration to help them instruct the classes they cover.

3. Coverage

The Board shall provide substitutes for all personnel in all departments, including special teachers and nurses.

ARTICLE XIXREPRESENTATION FEEA. Purpose of Fee

If an employee does not become a member of the Association during any membership year (i.e., from September 1st to the following August 31st) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year, or the prorated part thereof. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

B. Amount of Fee1. Notification

Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by nonmembers will be determined by the Association in accordance with the law.

The Association shall certify, in writing, to the Board, prior to the start of each membership year, that the amount of the representation fee to be assessed does not exceed the maximum amount allowed by law, of dues, fees and assessments and does not include any amount of dues, fees and assessments that are expended: (1) for partisan political or ideological activities or causes that are only incidentally related to terms and conditions of employment, or (2) applied toward the costs of benefits available only to members of the Association.

2. Legal Maximum

In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members, and the representation fee may be set up to 85% of that amount as the maximum presently allowed by law. If the law is changed in that regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase or decrease to become effective as of the beginning of the Association membership year immediately following the effective date of the change.

ARTICLE XIXREPRESENTATION FEEc. Deduction and Transmission of Fee1. Notification

Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph 3 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

2. Appeals; Indemnification of the Board

The Association represents that it has established, and will continue to maintain, a demand and return system of appeal whereby non-Association members may appeal the assessment of said representation fee against them, if they so wish, according to law. Said demand and return appeal system shall be as set forth on Exhibit "A" attached herewith and made a part hereof by reference. The Association shall indemnify and hold the Board harmless against any and all claims, demands, suits and other forms of liability, including liability for reasonable counsel fees for counsel of the Board's choice, and other legal costs and expenses, that may arise out of, or by reason of, any action taken, or not taken by the Board, in accordance with the provisions of the within Article.

3. Payroll Deduction Schedule

The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

(a) ten (10) days after receipt of the aforesaid list by the Board; or

(b) thirty (30) days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid ten (10) days after the resumption of the employee's employment in a bargaining unit position whichever is later.

ARTICLE XIXREPRESENTATION FEE4. Termination of Employment

If an employee who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, no further fees shall be due to the Association.

5. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

6. New Employees

On or about the fifteenth day of each month, beginning with the month this Agreement becomes effective, the Board will submit to the Association a list of all employees who began their employment in a bargaining unit position during the preceding month. The list will include names, job titles and dates of employment for all such employees.

7. Effective Date

The provisions of this Article shall become effective for the school year beginning September 1, 1981.

ARTICLE XXMISCELLANEOUS PROVISIONS

A. The within Agreement constitutes Board and Association policy for the term therein provided, and the Board and the Association shall carry out the commitments contained therein and given them full force and effect.

B. If any provisions of the Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

If an individual contract contains any language inconsistent with this Agreement, this Agreement during its duration, shall be controlling.

The Board shall furnish the supplies and the Association shall provide the labor.

E. Whenever any notice is required to be given by either of the parties to this Agreement to the other, pursuant to the provision(s) of this Agreement, either party shall do so by mail or a personally delivered letter, or as either party may in writing direct the other, at the following addresses:

1. If by the Association, to the Board at:

This Agreement shall be effective as of July 1, 1995, and shall continue in effect until June 30, 1998. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated.

In witness whereof the Association has caused this Agreement to be signed by its president and secretary and the Board has caused this Agreement to be signed by its president, attested by its secretary and its corporate seal to be placed hereon all on the 20th day of March, 1995.
